

IPEX Wins Alpha Awards

The Alpha Award Company of the Year was granted to IPEX at the annual gala of the Chamber of Commerce and Industry of Saint-Laurent, Quebec. IPEX also received the Alpha Award in the Heritage category, recognizing past winners on the occasion of the 30th anniversary of the Chamber.

“At IPEX, research, development and marketing of innovative products has allowed us to provide the highest quality of service in our various markets,” explained Louis-Philippe Dubé, Director of Sales for Eastern Canada. Over the last ten years, IPEX has invested more than \$50 million in developing innovative products in its Quebec facilities.

In 2013 IPEX invested \$10 million to expand its Saint-Laurent plant by 14,000 square feet. This work enabled the expansion of the BIONAX product line, which is unique in Canada.

What is the IPEX formula for success?

“Innovation, customer relations, our highly specialized team and the exceptional range of superior quality products and services” concluded Michel Cadotte, Municipal Sales Manager for Quebec.
