

Ring-Tite® LARGE DIAMETER GASKETED SEWER FITTINGS

PRODUCT INFORMATION BULLETIN

NEW SIZES OF MOLDED LARGE DIAMETER GASKETED SEWER FITTINGS

IPEX is pleased to introduce new sizes of **MOLDED** Gasketed Large Diameter Sewer Fittings.

Ring-Tite® Molded SDR35 fittings are now available up to 450mm (18") in a wide range of wyes, tees and elbows.

Molded fittings are 50% lighter than traditional fabricated fittings making them easier to handle and install on the jobsite.

NEW MOLDED SIZES: SDR 35 now up to 18"
