

SCEPTER MOLDED 5° COUPLING

PRODUCT INFORMATION BULLETIN

4" and 5" 5° Coupling Now Molded

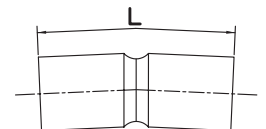

IPEX is pleased to announce the transition of the 4" and 5" 5° Coupling from a fabricated part to a molded part. The new molded couplings are produced from the same high quality, Schedule 40 PVC and will feature a longer socket length allowing for easier installation in the field. The new molded parts are CSA approved and suitable for direct burial applications as well as exposed outdoor usage.

FEATURES:

- B x B ends with longer socket length
- CSA approved
- Durable PVC construction for long life
