

IPEX SXE TRUE UNION BALL CHECK VALVES

NEW PRODUCT SHOWCASE

The IPEX EasyFit large diameter SXE Series Ball Check Valves represent the latest innovation in thermoplastic valve manufacturing technology. The new large diameter SXE is a complement to the small diameter SXE ball check valve, providing trouble free service for industrial, OEM and water service applications. This popular style of check valve features a true union design allowing for easy removal and maintenance of the valve without disturbing the rest of the pipe assembly. Positive shutoff of the valve in both vertical and horizontal installations is achieved with just 3 psi of back pressure. The innovative SXE EasyFit design features a custom labelling system, and the optional EasyFit multifunctional handle allows for union nut rotational control and safe blocked carrier tightening.

SXE Ball Check Valves are part of our complete system of IPEX pipe, valves and fittings, engineered and manufactured to our strict quality, performance and dimensional standards.

VALVE AVAILABILITY

	SXE
Body Material	PVC, CPVC
Size Range	1/2" through 4"
Pressure	232 psi
Seals	EPDM or Fluoropolymer (FPM)
End Connections	Socket (IPS), Threaded (FNPT)

APPLICATIONS

Acid Products Handling for Refineries, Metal Works, Etc.	✓
Alum and Ferric Chloride Handling	✓
Aquariums and Aquatic animal life support systems	✓
Bleach, Dye and Acid Lines	✓
Brine and Seawater Systems	✓
Chlorine injection, chlorine dioxide and chloralkali plant piping	✓
Acid Products Handling for Refineries, Metal Works, etc.	✓
Pharmaceutical	✓
Plant chemical distribution lines	✓
Plant water supply and distribution	✓
Swimming Pools	✓
Wash water recovery systems	✓
Water and wastewater treatment	✓
And many more!
