

KWIKON® 2-1/2" ENT and Fittings

IPEX offers Kwikon® ENT and Fittings in sizes up to 2-1/2". The 2-1/2" size is designed to accommodate larger aluminum conductors that are used in slab construction today by adding 50% more usable space than 2" ENT.

2-1/2" Kwikon is UL and CSA approved for power and datacom in both direct burial and concrete encased applications and includes all the same labor saving features that contractors have come to appreciate in smaller sizes.

2-1/2" Kwikon

Description	Part Number	Product Code	Packaging
ENT	-	012049	325' Reel
Coupling	KC40	089075	12 Units / Carton
