

Duraflo® Rangehood Exhaust Vent

The Duraflo® Rangehood Vent is ideal for venting kitchen range hoods and other large exhaust fans through the roof. The Rangehood vent is large enough to handle the most modern, high powered kitchen fans. The seamless body and dual flapper system prevents back draft and weather infiltration and also includes a 6", 7" and 8" adapter collar.

Rangehood Exhaust Vent with Adapter Collar

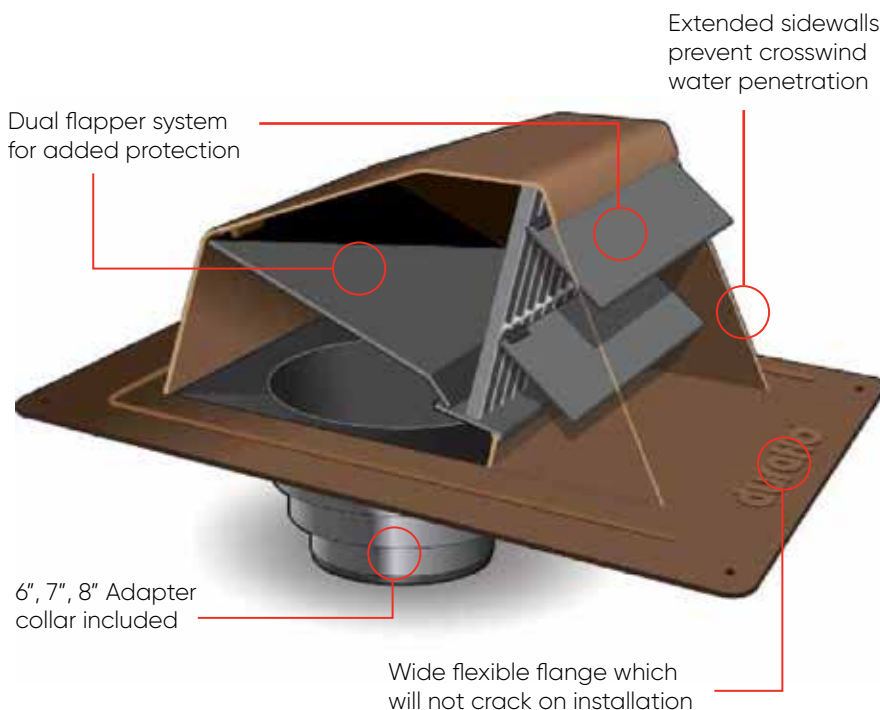

24" x 16.20" x 8.34" (2/carton, 7 lbs)

Color	Part Number
Black	6020BL
Brown	6020BR

Features and Benefits:

- Exhausts kitchen rangehoods and other large exhaust fans through the roof
- Attaches to 6", 7", or 8" duct
- Large enough to handle even the most modern high powered rangehood fans
- Leakproof, seamless outer shell
- Unique angled flapper design helps eliminate chatter
- Flexible flange which will not crack on installation, even in extreme cold
- Available in Black and Brown
