

## Duraflo® Bathroom Exhaust Vent

The Duraflo® exhaust vent comes in a full selection of colors with low profile styling and quiet, consistent performance. Our unique flapper prevents chattering while our deep grill design prevents even the worst rain gust from entering. Installed on a sloped, shingled roof to exhaust bathroom fans by the means of a roof opening the Duraflo Bathroom Exhaust Vent. Includes internal damper to reduce backdraft and an exterior grill to prevent the infiltration and nesting of birds, vermin and insects.

### Bathroom Exhaust Vent w/ Flapper & Attached Collar

10.96" x 12.94" x 6.5" (6/carton)
